Description

The Embrace chair family is available in several designs such as a chair or bar stool, as well as in a design on legs, cross or sleds. Molded wooden back, plastic back, alternative with upholstered back plate and upholstered seat. With its soft lines and the characteristic, embracing back, it creates a warm and harmonious feeling in different types of work environments. Everything from social areas and meeting places to project tables and touch down areas. The slightly sagging back, in a wooden design or with upholstered inside, provides a comfortable sitting position that encourages natural movements, which leads to improved circulation. The Embrace family is designed to support both well-being and productivity. It creates energizing work environments where people like to gather, talk and collaborate, regardless of whether it is for short meetings or longer creative sessions. Embrace is therefore a conscious and long-term choice. Made of FSC®-certified wood, Möbelfakta-labeled and tested according to European standards, it meets high requirements for quality, safety and durability. With the extensive and quality-tested material range in Kinnarps Colour Studio, it is easy to create personal and sustainable environments. Fabric options: Fame, Joy and Elmosoft or equivalent that meets all of Möbelfakta's requirements.
